Teddy bears have been a part of our lives for over a century, bringing comfort and joy to children and adults alike. But few people know the story of Ek, a teddy bear who became a symbol of hope and courage during World War 1.

Ek was given to a young Australian soldier named John Eklund when he left for the war in 1915. John took Ek with him to Gallipoli, where he fought in the bloody battle of Lone Pine. Ek was a constant companion to John, providing him with comfort and support during the long and difficult months of war.

John was eventually evacuated from Gallipoli, but Ek remained on the battlefield. He was found by a New Zealand soldier named Cyril Bassett, who took him home to his family in Christchurch. The Bassett family cherished Ek, and he became a beloved member of their family.

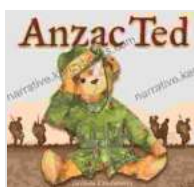

In 2008, Ek was returned to Australia, where he is now on display at the Australian War Memorial in Canberra. He is a reminder of the courage and

sacrifice of the ANZAC soldiers, and a symbol of the unbreakable bond between Australia and New Zealand.

Anzac Ted Ek is a beautifully written and illustrated story that will appeal to teddy bear lovers, ANZAC enthusiasts, and history buffs alike. It is a moving tribute to the Anzacs, and a reminder of the importance of remembrance.
