On the first day of school, Lily and her mommy walk to school together. Lily holds on tight to her mommy's hand as they walk through the school doors.

Lily is amazed by all of the new sights and sounds. She sees children running around, playing games, and learning new things.

Lily's mommy takes her to her classroom and introduces her to her teacher. The teacher is very nice, and she makes Lily feel welcome. Lily is excited to start learning new things.

Lily spends the day learning about all sorts of new things. She learns about the alphabet, numbers, and shapes. She also learns how to sing songs and play games. Lily has a lot of fun at school, and she is proud of her mommy for going back to school.

At the end of the day, Lily and her mommy walk home together. Lily tells her mommy all about her day at school. Lily's mommy is so proud of her for being so brave and for trying new things.

Once Upon a Time, Mommy Went to School is a great book for children of all ages. It is a heartwarming story about the importance of education and the value of following your dreams. The book is also a great way to help children prepare for their first day of school.
