In the heart-stopping world of art theft, there is Cat, a young woman with a knack for finding what others have lost. When she's drawn into a high-stakes heist, she must use all her skills to stay one step ahead of the law and her ruthless adversaries.

Cat has always been fascinated by art. She loves the way it can capture a moment in time, express a feeling, or tell a story. But she never imagined that she would one day be involved in a heist to steal a priceless painting.

When Cat's mentor, a renowned art thief, is killed, she is left with a map to a hidden treasure. The map leads her to a priceless painting that has been stolen from a museum. Cat knows that this is her chance to make a name for herself in the world of art theft. But she also knows that she is in over her head.

The painting is being guarded by a ruthless gang of criminals. Cat will have to use all her skills to stay one step ahead of them. She will have to be clever, resourceful, and determined. But most importantly, she will have to be willing to risk everything to get her hands on the prize.

The Good Thief is a fast-paced thriller that will keep you on the edge of your seat from beginning to end. Barry Connolly has created a cast of unforgettable characters and a plot that is both exciting and suspenseful.
